Summer Fun!

Welcome to South Shore Montessori's summer camp! Our theme this summer is Shake, Rattle & Roll.

We have lots of fun activities planned for the month of June.

June 4th—8th Rainforest

June 11th—15th Rainforest

June 18th—22nd Beach

June 25th—29th Beach

On extremely hot day, we will not be going outside between the hours of 11:00 am and 2:00 pm. We encourage children to drink plenty of water, which also helps them feel cooler.

Sunscreen and Insect Repellent

If you have not already done so, please send a bottle of sunscreen and/or insect repellent, marked with your child's name and date. Please apply both to your child in the morning and the teachers will reapply before going outside.

Sign in medicine chart

Please remember to use our sign-in chart whenever medicine is to be administered. All medications must be in their original container, marked with child's name and date. We cannot administer Tylenol, as it masks a fever, which could be a symptom of a more serious illness.

Thank you for your cooperation.

**School and Care
will be closed on
Wednesday, July 4th**

June Birthdays

101:

102: 6/1 Bella Kerneckel

103: 6/10 Erin Zuniga

104:

105: 6/21 Hayden Markum

EI: Alikı Brandenburg

Summer Shoes

Running shoes (tennis shoes) are best for school. We do not advise wearing open toe shoes, boots, sandals, or crocs, it is difficult to run and climb in them. Children who do not wear running shoes will not be able to participate in outdoor activities. Please keep this in mind when dressing your child in the morning and when shopping for new shoes. Thank You.

Randalls: Don't forget to link your Randall's card with our Good Neighbor Number #7403.

Last quarter the school was awarded \$54.94!

Way to Go !!!!

End Polio

Our elementary class raised enough money to vaccinate 579 children in the polio endemic countries. Thank you, to all the students and families for contributing to this wonderful cause.

Consumer Product

Safety Commission: is charged with protecting the public from unreasonable risks of injury or death from thousands of types of consumer products under the agency's jurisdiction.
